**Unsafe Havens II
Advanced Trial Advocacy for Prosecution
of Technology Facilitated Crimes Against Children
November 17-21, 2014, AOL Headquarters,
Washington D.C.**

[Application link forthcoming](#)

Unsafe Havens II is a trial advocacy program developed to address issues that arise from jury selection to sentencing in technology facilitated crimes. The course utilizes a model case and requires students to conduct portions of a trial based on those facts.

Attendance fee

None

This course is by application and only 30 prosecutors will be selected to attend
